Dear F.C.C. Preceding number 16-41
I am a cable customer of "Twin Valley Inc"
at Bennington Kansas.
My TV is on RFD most of the times, for
Weather, news and most of all good Country
Shows & Programs. I am a lover of Country
music and I have played a band for 34 years
retiring the band in 2013. I am in my 80's
and that is all the enjoyment I have is
listening to R.F.D station. You give a lot
of "Seniors" a lot of enjoyment, and that has
all they have left in their last years. Like ^B Mallory
I even enjoy to farming Shows and Equine
Programs, no bad advertising just clean
shows. Please don't take this away
from the old People. We love the "Rodeos"

Dear FCC, Proceeding Number 16-41

I watch RFD-TV on Dish

It is the one good thing that has happened since I switched to Dish a number of years ago. Their entertainment and educational programming is the best.

Where else do you find a channel with as many teaching and helpful learning programs. Everything from training a horse to Farm Report, Evening News, States and their news and musical entertainment, all without embarrassing, offensive ^{kind of} commercials like you see on other channels.

Broadcast of FFA National convention is a real plus and certainly gives a great insight of the talent of these young people.

My husband Jerry + I watch RFD-TV
on Direct TV. Jerry watches every farm show
he can because of all the good info on
better farming methods. We are farmers +
we love all the info we can get to help
us to do a better job. We also enjoy all
the Draft Horse shows as we have had
them in the past. The machinery shows are
of great interest to him. The Polka shows
are great ~~entertainment~~ for us. We also like
to dance. It is so much a great part of
our life. Please, Please, Please, Don't
take this away from us. We watch on
Direct T.V. It would be such a loss for
us. We live in a rural area and it is
our entertainment!

Comment!

We are a couple in our 80's & over. Main channel we watch is RFD. We love country music, rodeos & farm shows. This is our main enjoyment as we can't travel anymore. We were on Verizon Cable and they dropped RFD - so we got on Direct. Please keep this channel on.

Dear FCC Proceeding Number 16-41

I watch RFD-TV on Dish. I enjoy watching the programs that show the different tractors and their uses. The music programs are most enjoyable also. My husband is an ex-farmer/rancher and enjoys all the farming information. He likes hearing about the organic aspects of farming these days since he disagrees with it. We would really miss this station if it was taken off the air. There is already so many undesirable programs on TV that this is a refreshing change.

Please keep RFD-TV on the air.

Sincerely,

To who ever it concerns:

I live in Burnsville North Carolina, we like over Country music and some of your programs.

If you don't want it on RFD another ^{DOCKET FILE COPY ORIGINAL} station will carry it.

it has before you were on my network. We do some farming in North Carolina as well. We used to get our Country music from Nashville, Tennessee and probably can again that's what we should and mark your channel off of our viewing area and stop this nonsense you are giving us.

I think you just want to worry people especially Senior Citizens.

I think that is a disgrace

I hope everyone stops listening to your garbage.

Gentlemen:

Proceeding Number 16-41

I watch RFD-TV on Suddenlink/Cable Provider and we want this RFDTV left on with this provider. We thoroughly enjoy listening to this station. We were so happy when we found this station on our TV. Why would you even consider removing this station from Suddenlink/Cable provider. This should be offered on more stations. We have a house in Florida and have requested that Brighthouse Networks carry this on their list of stations. We called and ask this question and we got some girl that answered the phone and had never heard of this station. DON'T DROP!!!!!!

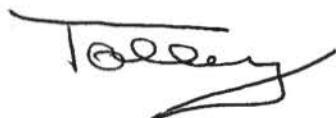

I HAVE TRIED TO GET A COPY OF THE FCC FORM 16441 TO FILL OUT . I GAVE UP AND WROTE YOU A LETTER.

I'm sitting here in my

"The Father Gospel Hour". Please
don't take this kind of program
away from us. We are in our 80's.

We still live on our farm
and still have a few cattle to
keep my husband busy. We love
our God and we look forward to
being with Him. Until then we
attend our little church and we
enjoy ~~the~~ the programme on RFD-TV.

This channel is our favorite to

sit together and laugh and sing
along with the good music on

Dear FCC

I'm writing about the RFD T.V.
losing the FCC on T.V. I watch
this station only when I get local
news or world news. It's a very
important station. A farm station.
when the farmers are not working
& helping Washington D.C. there will
be no more, we won't eat.

Thank you and I'm hoping you
will reconsider & let this station
remain as it is now.

Thank you

I am writing in regards of taking RFD off the station. I paid extra on the package with Directo in order to have RFD! I've been to Branson twice and love the shows they have, especially on LFR. DOCKET FILE COPY ORIGINAL

They are exposed to so much trash on TV, why would you choose to eliminate RFD?!!!

Dear FCC 16-41

My name is Mildred M. Fisher - my address is 311 W. 3rd - St. John, Kans. 67576. My phone number is 1-620-549-3475. I get RFD TV on Cable channel 21.

RFD TV is very important to me so please do not discontinue it. I would be very devastated if that were to happen.

I am a senior citizen (86 yrs.) & live alone in a small Rural Town in Central Kansas. I love music - Country Western programs like Larry's Country Diner, Country Family Reunion, Dixie Vincent - Anything Rural (Country)

Our small town - St. John, Kans. does not have a movie theater and very February, 2016 no grocery store. We have to go mile and miles for these things. RFD TV is a blessing for us who do not have the advantage of shows and other forms of good and

decent and wholesome forms of entertainment.
Most of the other channels are filled with
Crime, sex, blood and gore. I would rather
watch the news or cartoons than the
guerenee programs on other channels.

RFD TV is America's Most Important
Network

RFD TV is watched and enjoyed by
more people than you can imagine.
Don't deprive us of this important
and wonderful channel.

Sincerely,

Mildred M. Fisher

so I am interested in markets, (cattle

products.
